EMPLOYEES/INDIVIDUALS PAPER APPLICATION

We have now updated the paper application to mirror image the online application. Please use the new one that is available on the website.

[Download Application](#)

Note: Completing a paper application before applying online will ensure that you have all information needed in advance. The system will time out after 20 minutes of inactivity.

QUALIFIED HEALTH PLANS

We've made a system change that allows groups to change plans within their eligibility period and the employees do not have to re-apply. We still need to receive the 2-page application, plan summary and rates. It may take us a few weeks to get everything marked correctly in our system but the groups will not lose any subsidy.

STAFF LISTING FORM

We have updated the [Staff Listing form](#). Remember to mark on the page if the owners will be applying for Insure Oklahoma. Please make sure the Staff Listing form is printed legibly. The staff listing PDF form online has typable form fields, meaning you can type the information online through the browser and print it off.
