Providing qualified Oklahomans with access to affordable health care!

Insure Oklahoma Agent Blast - July 2012

EMPLOYER PORTAL IS NOW HERE!!!

Employers **can now** access information about their Insure Oklahoma Account. The information that can be viewed will include business addresses, contact information, agent information, qualified health plan, and banking information. Employers will also be able to view invoices and employees' subsidies, as well as employees' enrollment status' and PIN's.

Some important facts:

- ◆ <https://www.insureok-employer.org> ****Please note**** – you **must** type in the entire address given above or copy it, **including the https** or you will not be directed to the site.
- ◆ The employer portal is **READ ONLY**; changes cannot be made through the portal.
- ◆ There can only be **ONE** user per account. For example, if an employer and an agent want access to the same account, they would have to share the login ID and Password.
- ◆ If you have multiple groups with IO (multiple E numbers) each login has to be unique, but the password can be the same.
- ◆ If you need training on the portal, please email The Team at theteam@insureoklahoma.org . If you call the helpline, they will email The Team for you.
