Premium share changes

Please check your subsidy statements to verify the premium share amounts. They may have changed recently.

Each quarter, the Oklahoma Employment Security Commission (OESC) updates its database that contains wage information. Insure Oklahoma uses this database to confirm wages reported by applicants. If Insure Oklahoma needs to adjust an employee's income based on updated OESC data, the premium share may also change.

Q&A: Annual enrollment

Q: Do employees reapply for Insure Oklahoma every year at the same time?

A: No. Employees are approved for Insure Oklahoma for 11 months. This means that if your employees submitted applications during August 2016, their eligibility would run Sept. 1, 2016-July 31, 2017. Employees would reapply in July 2017 for an additional 11-month period. If approved, they would be eligible through June 2018.
